Welcome to Marcus Grill.

Eighty-nine years and counting...the origin of Marcus dates back to 1929 when Charles Marcus invented the original burger in Detroit. In the city's spirit of innovation he custom-built an enormous grill in the center of his diner where he stamped burgers into a special shape and sautéed the all-steak patty which was served on a hot dog bun.

Marcus Grill is known not only for their burgers, but the bona fide Polish platters that are made fresh daily. Mastering homemade stuffed cabbage, city chicken, potato pancakes and pierogies, where the dough is made in house and by hand. We offer special homemade soups, sauces and gravies that are worth coming back for. The experience of a warm welcome and personal touch has always been vital within the Marcus tradition. Time travel with us and enjoy the unforgettable secret recipe of the historical Marcus Burger as well as the authentic old world style Polish cuisine.
